# Nabucco Palette

Inspired by the Venetian Renaissance and Baroque movement, Nabucco Palette consists of twenty-five colors, coordinated in a way devised to guide any interior design project with an unmistakable Italian style. This selection offers a harmonized palette of twenty-five chromatic solutions that can be matched in every combination for an ever-contemporary result. With Nabucco Palette, we can customize Nabucco Walls.

## Nabucco Walls

Nabucco Walls are a series of modular walls that combines the elegance of leather with the utility of architectural design. Equipped with a sober frame, Leather Walls can be fitted with a subject picked from our curated selection; however we may also adapt size and color to make a custom work using Nabucco leather.

# Prodital Leather

Prodital Leather is an Italian company that has been manufacturing refined bovine leather since 1978 for worldwide projects in residential, nautical and contract environments. What makes our leather distinctive is the experience of Lanfranco Arena, master of leather and owner of Prodital Leather, which operates in the tanning district of Arzignano, Capital of Leather®, in the heart of the Land of Venice.
